

<p>Create a power place by connecting heaven and earth with the love of the surrounding area: Invite all three aspects with your heart and let them flow together. Where you feel resistance, release it deep in your heart by asking Jesus to do so: „please, may you release it in my heart“. Trees can help!</p>	<p>Here a certain energy shall be manifested, Ask your inner guidance which energy it is and where it wants to go: may be into a stone, the water or the floor underneath you. (Ask the divine mother to open the material structure before).</p>	<p>Sound place: Feel the sounds of earth and heaven, swing with them and create suiting sounds out of yourself into all layers: stones pants, layers of ground and air. Like an accord.</p>
<p>Healing of a division or cut in the landscape (Two people stand opposite each other. Connect deep in the heart with your partner, then let the energies of the landscape behind you flow together till you feel a stability in that flow.)</p>	<p>The elemental beings here (elfs, dwarfs, etc.) have pain. Connect with Pan in your heart and expand his energy from there. Before that ask where exactly. Just by the touch of Pan's love the beings of nature can get restored to their origin and joy.</p>	<p>Here is a soul aspect missing in the landscape. Feel the landscape minimized under your hands, feel the "hole" and move back to the past with your hands, pick up the aspect, clear it with the love of your heart and give it into the heart of the landscape angel.</p>
<p>Ask the angels for help or for light. Possibly bring down a present for the region, or use a healing tool which you received from the landscape/arc-angels.</p>	<p>Elemental beings like elves, fairies, dwarfs etc. want to live here. Ask Pan where they should come from. With Pan in your heart you invite them from this (possibly distant) place to this place. Livelihood moves in.</p>	<p>Ask your inner guidance yourself what to do – e.g. use one of your own methods,</p>
<p>Ask the avatars, dolphins, trees, dragons, the sun or the „warriors of pan“ for help.</p>	<p>Look at a map – for an overregional topic or for continuing or working more distant from here.</p>	<p>Use Shiva's / Babaji's „art of light war“. Beginners follow CD-instructions step by step.</p>
<p>Awaken tree(s) in that place.</p>	<p>You are ready, or there is nothing to do here right now.</p>	<p></p>
	<p>Text for bound souls (please ask from where you shall read it and for which area you shall do so. Then read it three times:</p> <p style="text-align: center;"><i>To all the beings in my aura, in this room and in the surrounding area, that are not in unity with the love Jesus (Shiva, Kali) I send love and light. Each of you is created out of God – and this pure origin of divine love is always complete inside of you: In this moment, you are pure divine love – and you will always be this love in full completeness. As beings whole, complete and free you never lost anything. You are one with the origin, entire and secure. And now you can go home – as light into the light, as eternal love inside eternal love. Your eternal home is now ready for you. And so I ask Jesus (Shiva, Kali) to guide you there now. Go there in peace - Om namah Shivay !</i></p>	<p></p>
